Accident Attorneys of Monge and Associates and Our Community

Atlanta, GA – June 29, 2010 – Accident Attorneys of Monge and Associates is an outstanding contributor within our community.

Among the many charities that Accident Attorneys of Monge and Associates contributes to on a monthly basis include generous donations to Mercy Home for Boys, March of Dimes, Operation Smile, Make a Wish Foundation, UNICEF, Toys for Tots and International Eye foundation just to name a few.

The Sandy Springs Youth also received a generous sponsorship for the Major League Girls Softball Team at Morgan's Fall Park from Monge and Associates. Sandy Springs Youth Sports' (SSYS) at Morgan Falls Athletic Fields provides one of the best youth baseball and softball programs in the state of Georgia. SSYS is both a nonprofit and volunteer organization that is run by a volunteer Board of Directors comprised of individuals and business leaders from Sandy Springs. Through the work of the volunteers and the donations from the community teams of fourth and fifth grade girls who attend public and private schools in the Sandy Springs area have been playing on average for three years. "We are happy to support this tradition because it helps these girls learn the fundamentals of the game, enhances their athletic skills and further develops their self esteem. It also allows us to nurture a competitive spirit that will serve them throughout their lives while being able to assist the organization in meeting the parks expansion and improvement goals." stated Scott G. Monge, Founder of Monge & Associates.

“It is very important to our firm to give continuously to charities that help enrich our community and families. We also believe that community involvement is crucial in growth of our company and as such we should give back and hope that other companies will do the same.” stated Monge.

This firm has taken the initiative to co-host Fundraising events for Polythress for Governor Campaign. David B. Polythress stands for Vision, Leadership and Action, many of the same attributes that the firm represents. This was not the only political co-sponsorship that the firm has taken on this year. They have also decided to co-support the Court of Appeals candidate Christopher J. McFadden. “We believe that in order to have a strong community, you have to have strong leadership. This is one of the many reasons we have chosen the candidates we sponsored this year.” stated Monge.

These are just a few of the highlighted charitable organizations that Accident Attorneys of Monge and Associates have and continue to support. Their financial generosity is critical for our community to thrive and succeed.
